Summary: The summary is like what the title says. It is Kagome's tenth birthday, she and her friends are playing tag. Kagome decides to hide in the well hut. She accidentally falls in and goes to feudal Japan. And meets the Inu gang :P I do hope though that I could get some of your ideas for it. I don't have much of a plan for it yet, but I don't plan to abandon it either :)

## 1. Chapter 1

"Kagome your friends are here for your 10th birthday." Mrs. Higurashi yelled up the stairs.

"Okay I am coming mom" the raven haired girl shouted from her bedroom. She opened up her door and ran as fast she could down the stairs to her awaiting friends.

"Happy birthday!" Eri, Ayumi, Yuka, and even Hojo.

"Thank you, you guys!" Kagome said excitedly and hugged them all, "Eri guess what!?"

"What?" The little girl asked confused.

"Your it!" Kagome shouted and ran outside with the others trying not to get it. Kagome branched off from the others. She headed towards the well hut. She quietly opened the door and went inside. Once she was inside, she hid behind the well, but didn't notice that it was open for some strange reason. All of a sudden she heard a noise come from behind her. Kagome turned around to see what it was. She couldn't see anything in the darkness. Whatever it was came towards you really fast. Kagome jumped backwards and she fell in the well.

"Someone HELP!" Kagome scream as she fell into the well. Then after that all she remembers is a pink light. When Kagome finally woke up she looked up the well and say the blue sky and daylight, and someone

â€|. Crying?

"Hello, someone there?"the small maiden said from inside the well. A head popped over the side of the well. It looked like a boy. The boy had pure white hair, tear filled golden eyes, and cute little doggy ears on his head.

"How did you get in here human?" The boy asked rudely.

"I fell in ok!"she replied annoyed that he was rude to her and she didn't even do anything to him. She tried to get up, but she somehow hurt her knee. Her knee was bleeding some, and it stung. Kagome started to cry. That surprised the boy,

"Why are you crying?" He ask then he took a sniff, "You must have hurt yourself." The boy jumped down into the well. By the time he got down there all his tears were gone.

"Where did you hurt yourself?" He asked gently.

"Myâ€| my ...knee" she replied between sobs. He turned his back to her,

"Here hop on and I will get us out of here ok?" He said gently to her, while turning his back to her.

"O...ok" she replied, trying to stop crying and got onto his back. He jumped and got them out of the well. He carefully set her down, and took a look at her knee. He ripped a piece off of his robes and wrapped it around her knee.

"There all better now." He said and smiled at her tear stained cheeks

"Thank you," She sniffled, "My name is Kagome Higurashi."

"My name is Inuyasha Tashio."

"Do you want to be friends?" Kagome asked him with a big smile.

" Sure!" He smiled back softly.

"Since we are friends now do you mind me asking you why you were crying earlier?"

"Well my brother Fluffy as I like to call him, since he hates it, was picking on me."

"That wasn't very nice of him. Come on let's go play." Kagome said getting up. He stood up as well then they both hear a voice.

><p><strong>So this is my second story, this one I don't have a lot of ideas for like I do for my first one. So if any of you who are reading this, have any ideas that would be great. I do plan to finish it and not abandon it just so you know. I do hope that people will like this story.<strong>

## 2. Chapter 2

They both turned around.

"Inuyasha who is he?" Kagome asked innocently.

"That would be my older brother. Hurry up and get on my back." Inuyasha rushed. She hurriedly got onto his back. She could tell by the tone of her voice that something was wrong. She took another glance to where the voice had come from, it looked like another boy with long white hair and he appeared to be just a bit taller than Inuyasha. Inuyasha stood up.

" Hold on right ok." Inuyasha said gently. Kagome in return tightened her grip on him. Inuyasha took off into the woods.

"Trying to run now Inuyasha," said a cold voice from behind them, "oh and look he has a human girl with you. You made a friend how cute but I guess I have to kill her as well." As soon as Sesshomaru finished Inuyasha got even faster.

"Inuyasha, I am scared." Kagome sniffed.

"It's ok we are almost there." Right after that all three heard a loud thundering voice "Sesshomaru what do you think you are doing!" Inuyasha could feel Kagome shrink back a little.

" It is ok now, that's my dad." He said patting her leg.

"Okay." she replied with a yawn.

"Inuyasha who is your new friend.?" Inu Toshio asked with a big grin.

" My name is Kagome." she replied quietly. She started to doze off after that.

"Well I guess she was tired after that. Inuyasha let's bring her home so she can rest and When she opens her eyes again we can bring her home."

><p>Sorry I know this is <strong>really<strong> short, but it felt like a good place to stop for this chapter, so I did. I will try to post this story a little more frequent than I do.

## 3. Chapter 3

"Look her eyes are starting to move." a female voice said quietly but excitedly. Kagome slowly rose a hand to her eyes to rub the sleep out of them.

"Where am I?" she questioned no one in particular.

"Honey, you are at the Tashio, estate. I am Mi, I am Inuyasha's caretaker, I was also the one that sent Inuyasha's dad to get you."

"Okay, where is Inuyasha?" She asked still kinda sleepy.

"Oh, he is outside of the door waiting for you to wake up." Mi said a little excited. With that Kagome got up and walked over to the door and opened it.

"You're awake," Inuyasha said, while getting up from the floor. "My dad wants to see you as soon as you woke up."

"Okay," Kagome replied with a big smile, since she finally woke up mentally. They walked in complete silence. Little did they know Mi was following them quietly, she hid her presence, so only Tashio and his other wife could find her. ( A/N I will give Mi a description at the end of this chapter)

Inuyasha and Kagome arrived to a room with big wooden doors. The door slowly opened a little. Kagome got scared and hid behind Inuyasha. Inuyasha took a slight defensive stance.

"It's ok son, I won't hurt your new friend." Inu Toshio said kindly and with a smile on his face. Inuyasha relaxed once he realized who it was.

"Is this your dad, Inuyasha?" Kagome asked from behind him. He just nodded his head yes.

"Come with me dear, so we can talk." Inu Toshio said gently.

"Okay, but can Inuyasha come with me?" she asked shyly.

"Of course, if he wants to come with." Inu Toshio replied looking behind Inuyasha to see Mi and smiled to himself, but noticed when Inuyasha nodded his head lightly.

"Ok, let's go out to the garden. It is always beautifull around this time of year."

Once they out to the garden the three found a nice bench under a giant tree.

"Kagome, do know where your family is?" Inu Toshio asked. The girl instantly got teary eyed.

"My friends and me were playing a game and I fell into our well. When I woke up from my nap, I could hear anything except a crying noise. Inuyasha found me and helped me out of the well. Another guy showed up and he tried to hurt us. He scared me." Kagome said, " I want my mommy!" and then she started to sob. Inuyasha hugged her and patted her back while she cried. Seeing his son doing that, made Inu Toshio smile warmly.

"Dad, can she stay with us until we can find her family?" Inuyasha asked looking up to his dad.

"I will have to talk it over with my wife." he replied. Inuyasha nodded and asked,

" Kagome want to go play, or maybe do you want to explore the house." Kagome looked up a smiled a little.

"Sure!" she shouted and ran to the house, " Last one to the house is a rotten egg."

"Even with a head start I will beat you." Inuyasha shouted back with a happy voice.

"Mi, are you going to watch over them?" Inu Toshio asked the young caretaker in the tree above him.

"Of course, but if there is another problem do I have permission to take action as long as the little girl is here?"

"Yes, but you are only to give them minor injuries nothing more."

Yes sir." Mi replied and jumped out of the tree to watch over Kagome and Inuyasha.
